OUR MESSAGE:

Our message is that an addict, any addict can stop using drugs, lose the desire to use and find a new way to live. Our message is hope and the promise of freedom when all is said and done, our primary purpose can only be to carry the message to the addict who still suffers because that is all we have to give. (5th tradition closing paragraph)

CLARITY STATEMENT

We are presented with a dilemma; when NA members identify themselves as addicts and alcoholics, or talk about living clean and sober, the clarity of the NA message is blurred. To speak in this manner suggests that there are two diseases, that one drug is somehow separate from the rest, requiring special recognition. Narcotics anonymous makes no distinction between drugs. Our identification as addicts is all-inclusive, which allows us to concentrate on our similarities, not our differences.
